

## TRADITIONAL CONGREGATION HISTORY PROJECT

Dear Fellow Congregants,

We would like to document the history of our Congregation from its inception to the present as accurately as possible by adding to the information that Tobie Hupert (and perhaps others) has compiled.

To this end, we are asking all congregants who have knowledge about Traditional Congregation and especially about its founding and its early years to kindly put in writing what they know and send it to Jerry Tullman. It may be in long hand, typewritten, or e-mailed.

We are seeking first-hand reports, documents, articles, photographs, and anything else that is relevant to the history of our Congregation.

Jerry Tullman's mail address is: 55 Frontenac Estates, St Louis, MO 63131. His e-mail address is: [toollmen@aol.com](mailto:toollmen@aol.com).

Sincerely,

Your Board of Directors
